Feedback on last sharing event on November 6th 2010

Last Saturday's sharing event took place at Bellaire & Beltway 8. Eight people helped, four people from Fort Bend Community Church, three from SIBL, and one from Chinese Bible Church. Pastor Joel preached the word, by using an analogy of the disease of leprosy with our spiritual disease of sin nature. The people who heard the message were very attentive and felt the conviction of sin as Pastor Joel Lara was on his knees portraying of how Naaman in the Bible probably felt. The people were also greatly appreciative of our bringing them food and the word of God. They were also excited to see that we were distributing winter clothing. There were four alien workers interested in attending possible evening bible study.

News

- HIMN now launched its first website: www.himn.org The website was made possible by Gerri Morales from Chinese Bible Church. Please visit the website. We will strive to make it better and better. The website contains pictures, current and previous newsletters, next sharing event dates and past dated events, pictures, possibly video clips and contact information. Please check it out when you have a chance and your suggestions are greatly appreciated.
- HIMN is not only giving food and gospel tracks to these alien workers, but also giving winter clothing. We appreciate very much of generous help from Light and Salt Association. If you or know someone who has any unwanted winter clothing items, please let HIMN know about it. Items for men, such as pants, jackets, sweaters and mittens, are ideal. At the current time, HIMN is partnering with Light and Salt Association; however, we also take donations from individuals.
- HIMN is trying to partner with Spanish speaking churches in order to pursue its goals. One strategy that we are doing is to send local Spanish churches letters of support along with a DVD with pictures of sharing events in order to reinforce this ministry's support in any way.
- Next sharing event will be on November 20, 2010. Please join us!
