What or whom we need to pray for? What can we make improvements?

*This time unfortunately we didn't have any Hispanic Christian fellow workers' participation. However, we strongly believed God could still use us, who don't know Spanish, to do some powerful work beyond our understanding, so we did what we could do: distributing spiritual materials, praying for and blessing them and giving them food and drink. Every one's participation is important; however, no one is necessary except God.*

### GOOD NEWS

We are excited to hear that one of the people who we met in last Apartment sharing event would be baptized on September 5, 2010. His name is Santiago, a single father with two children. May God continue doing His own work and his name be glorified.

## **SMALL BUSINESS SEMINAR**

Three attorneys will participate in this event on 10/15/10. The tentative location will be at Chinese Bible Church. Please see the attached poster (to be translated into Spanish) for initial information. This is our first effort and aims to give out some general information and get basic understanding of actual needs of Hispanic business community. This will also be a first collaboration effort of this kind among Chinese Christian community and Hispanic Christian community.
