The Results of Contact with Fort Bend Community Church

On 9/15/09 evening, Tak Poon invited Pastor Medran to present his vision and works in Home Depot Mission before the Mission Committee of the Church.

Thanks to Brother Tony Chao. He has made many efforts and brought everybody together. The presentation at the church was moving and inspiring. Everybody appreciated the significance of the work in God's kingdom. In the meeting, an option of setting up a non-profit independent organization for this Mission was proposed to make fund-raising from different churches more easily and smoothly. The funds collected can be exclusively used on the Mission works.

4th Time Gospel Sharing Event: 9/26/09 10:00 A.M.

When you pass by the corner of Bellaire Blvd. and Bellway 8, please pray for these people who are standing before MacDonald or the gas stations or under the bridge. Are you wondering what they are thinking about?

“Do I have a good luck today?”

“Where is the best spot for me to stand?”

“What kind of job I may get?”

“How much money I may earn?”

“Enough for today’s meals?”

“What kind of person will pick me up?”

“If it rains, where can I find a shelter?”

“If it is too hot, where can I get water?”

“If I went to get water, would I miss possible job opportunity?”

Come to join the sharing event! If they find God, they will have a hope!
