

HE IS MY NEIGHBOR

9/15 Haden Park

Today I and Bob went to Hayden Park. Douglas could not come due to an emergency. Both Bob and I saw a group of around 5 -7 people dressing formally just finished their event and started leaving from the spot where migrant workers usually met. We found out that they were from Adventist church nearby. They said they had come to share their faith from 7am for almost one year.

Later Pastor Sung from a local Korean church came, bringing his bread and drink to people as usual around 8:40am. He passed out the food and drink. He didn't pass any tracks or share any message. He has been doing this for many years.

Since migrant workers were well fed by 2 groups of people, we decided not to distribute our food and drink again. Yet, Bob gave his books of John to the workers.

Then, the third group of two people came with food and drink around 9:45 AM. They may come from 1st Baptist Church. The third group may share some message for a short period of time. They also gave out some books for migrant workers to read.

The Third Group's Activity

Bob and I think if Hayden Park have a good church to take care of, we can look for some other locations that have not been taken care of. I also mentioned that our church, FBCC, recently is very active to help people in its neighborhood with food, drink, education, healthcare, and gospel sharing. I am wondering whether we can utilize the resources FBCC provided to help migrant workers, too. We may need to discuss these matters in our next Board meeting.

September 22, 2018 West Befort Sharing Event

The pouring rain gave us second thoughts, for sure; even discussion of cancelling came up. I am glad we stuck with God's plan. We learned a valuable lesson today, that God knows what He is doing; He can save in any situation and all we need to do is obey and follow. Because we obeyed, we were able to witness God's hand in saving four souls this morning. Seeing these four men, full of tears, repent their sins, and ask Christ for forgiveness and to be their personal savior, I can't help but to Praise Him, my faithful Father in Heaven!

早上的傾盆大雨，讓我們手足無措，同工們甚至開始考慮要不要取消今天的福音活動。幸好我們最後決定了順服神的計劃，因此我們學到了一個信心的功課，全能的神從不出錯，祂在任何的情況下都可以做工，都可以解救。我們需要做的只是順服祂、跟隨祂。因為我們選擇了順服，我們目睹到了祂的大能和慈愛。今天在大雨中，四個靈魂得到救贖。看見這些大男人們，哭泣流淚的來認罪悔改，求主耶穌基督作他們生命的主，真是令我不得不讚美祂，那又真又活、又信實的天父！

9/29 West Park

This Saturday a number of HIMN volunteers served in bringing scripture, food, drink and Christian fellowship & love to our migrant brothers located in the Highway 59 underpass @ Westpark intersection. Everyone was blessed though it rained, and at times rather heavily. We made the most of God's sharing time.

HIMN has been blessed to recently have several, new volunteers join and assist with various ministry needs. Thanks to all that give of your time and love!

Our many migrant brothers have expressed that despite the challenging lives they lead by living job to job, many remain thankful and encouraged that this Westpark area support blesses them with steady day jobs from local, individual contractors and families seeking their manpower.

Several in today's migrant group expressed the dual feelings of both gratitude for regular work and the difficulties of maintaining such a life. For some, they live the majority of their daily lives on the street seeking work. They maintain modest goals such as sending money home to family members in their home countries, to have regular meals, to get a shower and enough hygiene products such as toothpaste, toothbrushes and a clean shave. We pray for the Lord's provision for these basic needs to our brothers.

Our usual, Spanish language pastor, Pastor Jesus, could not attend this event so our other faithful pastor, Pastor Douglas, attended to give a moving and relevant sermon partially on the Book of John, sharing scripture about hope and enduring in faith. Often we HIMN volunteers are stirred

by the Holy Spirit as much, if not more, than our migrant brothers are at times. This is what brings our Christian community together, one relationship at a time.

Finally, we ask for your community prayers regarding a program that HIMN began last year, where the goal is to connect migrant brothers with local, nearby churches so they can grow and deepen their faith and understanding of the Bible and Christian values. We seek support and prayers to help plant and take seed of these local connections to see our migrant brothers become part of a church congregation and remain rooted in Christian doctrine. Please keep these intentions in your prayer.

Psalm 62:5-6

Yes, my soul, find rest in God; my hope comes from him.
Truly he is my rock and my salvation; he is my fortress, I will not be shaken.
