From Sister Wanchan:

We are excited to have this third location for the second time. We have seen many migrant workers here. We came to this location with a simple faith of "two fish and five bread". God will prepare everything we need to continue advancing his kingdom and his works because his everlasting love for migrant workers. God will continue sending his workers and resources to harvest crops here.

Saturday 14, in West Bellford, we start around 8:40 am ; that day show up Chris Tsao, Kevin Chavez, your husband and Saul Rios and Alfredo Madrigales from South Houston Bible Chapel; only 10 workers listened, but it was an encouragement to us that a worker accepted Jesus and his name is Julio, please pray for this new brother. Also Chris brought donuts for the workers and hot coffee.

From Brother Kris Tsao:

Wanchan, for her faithful service and busy schedule. Wanchan's husband for his support and his burden on the health of his parents. Wanchan's parents-in-law, for their health. Julio Quezada Rojas, who accepted Jesus Christ as his personal Savior, for his spiritual growth in Christ. Paco and Kevin, for their continued calling and burden for HIMN ministry.

From Brother Francisco:

Saturday January 28th 2012 , in Bellaire, I preached about hell and the kingdom of God and I used Revelation 20: 12 to 15 and 1 Corinthians 6: 9,10. That day show up Kevin Chavez, Saul Rios , Alfredo Madrigales and Jessi; around 11 workers listened and one of them accepted Jesus; his name is Miguel Lopez; he prayed with us, and we gave him a bible and a book about the personal peace by Billy Graham; please pray for the new believer. We also gave away to the workers some pants donated.
