11/3/2012 SHARING EVENT AT WEST BELLFORT

Paco Reported

Sharing Event 11/3/12 We had a faithful day. we started around 8:30 am; then me, *Manuel Mendez*, and his son, *Arturo*, prayed together; I brought and we gave out drinks and donuts. We saw others believers helping the workers in the street before us; we talked with them and we gave HINM's contact numbers. I preached about 1 Kings 18:19-39; where Elijah contended with the 450 prophets of Baal; they called their god, Baal, from morning until noon and he never answered; then Elijah built an altar in the name of the LORD, who created the heaven and the earth, and GOD showed his power and sent fire from heaven and consumed all the offering. That means many people have different gods and they can move it to any places; they can put it in their pocket or their wall or their neck but the GOD who created this world is different. He lives in our life when you accept Jesus Christ like your Savior; He comes into your life when you repent from your sins; He wants to live with you for all eternity. Thanks to GOD, around 20 people listened to the Word of GOD, listened to His Gospel, and listened to His message of Salvation. GOD bless his word!

11/10/2012 SHARING EVENT AT WOODRIDGE

I arrived at the Home Depot around 8:20 and met up with *Pastor Joel Lara*. We prayed together and set out to preach The Gospel to the workers.

The groups of workers were especially scattered that day and we spoke to 5 different groups of workers on the south side of parking lot. We passed out tracts and bottle water. Despite the fact we were able to speak to only a handful of them, 5 workers were saved. I was very encouraged by the high percentage of workers that we spoke to who made the decision to accept Jesus Christ as their personal savior. Pastor Joel challenged them to find a church to attend on Sunday (the next day) and really be reborn of the water & Spirit with their sincere hearts just as Jesus said to Nicodemus. He took down their names and contact information and will follow up with them.

We left around 10:30 AM.

In Christ,

11/17/2012 SHARING EVENT AT WEST PARK

Last Saturday showed up *Sister Wanchan, Andrew, Andy, Daniel* and his wife *Xiaolan*, *Pastor Oleg*, *Olvin Ruiz* and me; We started around 8:40 am under the bridge. Olvin Ruiz started with his testimony and 13 0 14 Workers listened then I started to preach; one worker accepted Jesus like his Savior his name is Antonio Camacho, brother Daniel and me prayed for him; then we moved to another place 2 blocks down and I started preaching again and Olvin gave his testimony again; after this we finished praying and another worker Antonio Laines Suchite took the decision to accept Jesus as his savior, Pastor Oleg and me prayed for him. I preached about Luke 10 : 25 to 37, where a lawyer asked Jesus, "What shall I do to inherit eternal life?" and Jesus answered "What is written in the law?" and the lawyer said "Love God with all thy heart, and with all thy soul and with all thy strength, and with all thy mind; and thy neighbor as thyself"; Nobody can do this; who can? in your own strength it is impossible!! You need the Holy Spirit in you!! you need God give you this love; this love only comes from God; that's the reason the lawyer asked again to Jesus Who is my neighbor? and Jesus told him the Parable of the good Samaritan; Where we can see the priest who represents the religions, this can help nobody, then the Levite who represents the law; the law only show how much sin we have in our life; and the Samaritan represents Jesus, he is the only one care for us; he payed on the cross for our sins; he clean our life with the oil his holy spirit and with vine his blood; because we are the man who fell into the hands of robbers; the robber is Satan the devil who destroy the life of any one fell into his hands. You need to take your decision, you can continue lying on the ground or raise your life with Jesus because Jesus Christ will return for all those who believed in Him.

Andrew's Notes

I arrived at the meeting place (the Shell gas station) at 8:20 and waited for the others to arrive. There were 7 volunteers in all. Before we could begin or work, a security guard from the Shell gas station approached us and told us that we could not park at the gas station parking lot, since our cars took up all the spaces. He advised us to circle around the highway and park underneath the bridge, informing us that a lot of people did that. We said a quick prayer and went underneath the bridge, where we ministered to the group of workers standing underneath the bridge. About a dozen workers listened to the sermon. During the sermon, I noticed a family of four (father, mother, brother, and sister, both children who look about elementary school age) pulled up in a pickup. At first, the family just watched us, then they came to us and passed out chips, pepsi, and sandwiches to the workers, and some to us. Then, Mrs. Wanchan and I went to a couple smaller locations nearby to pass out tracts. The others went to the other large location and Paco was preaching to about 20 workers when Mrs. Wanchan and I got there. After the sermon, Pastor Oleg and Paco prayed with a new believer while everyone else passed out breakfast sandwiches and juice to the workers. We finished a little after 10:00 AM.

We met at the Shell gas station on the corner of Westpark Dr. and SW Freeway, on Saturday, Nov. 17, 8:30 am.

We drove around and parked under the bridge. We went around inviting the workers to come near. When they started coming, Bro. O. began speaking. A few minutes later Paco, using the loud speaker, began preaching too. There were about 13 workers there. At the end of the message, he prayed, a couple of guys stayed behind, indicating they wanted to receive Lord Jesus Christ. Paco and Daniel prayed for those 2 guys.

After this, we drove to Chimney Rock and Westpark Dr. and parked under the bridge there. Again, we invited to gather around us, Bro. O and Paco began to speak and preach. There were about 20 workers there. and at the end we handed out our food and drinks to them. One brother indicated his desire to trust in Jesus, so we prayed with him individually.

I observe that there is a great need for these workers to have Christian friends/believers who would care for them, show them support by prayers and teaching them the gospel of Jesus. It seemed that they were attentive listeners.

People from our church were blessed to be a part of this ministry for the glory of God.
