What or whom we need to pray for? What can we make improvements?

This is our first time having a sharing event at the parking lot behind Shell gas station. The time was changed back to 7:00-8:30 a.m. During summer, this will be a very good time of the day to do the sharing because it is not hot and the workers just start coming out and are not picked up yet. Their minds are fresh, too. May God’s words work powerfully on all of us, including ourselves, the workers of God.
